

MOUNT TABOR MINISTRIES, INC.

To transform people's lives and to break the cycle of poverty.

August 1, 2011

Dear Sir or Madam,

I am writing you on behalf of Mount Tabor Ministries and Health Services of which Bishop Louis is Executive Director. He recently returned from the Congo, his home country, after one and a half months. During his stay, he met so many children and people in need. After decades of Mobutu's dictatorship and years of civil war, the whole country is still in very bad shape. People are suffering from the lack of almost everything: clean water, electricity, roads, etc. Shockingly, there is no public transportation and people struggle to move from home to anywhere they need to be. There is no indication that the situation will improve soon.

We implore well-respected individuals like you to get excited and become involved in our 'SCHOOL BUS ACTION' (SBA). We plan to collect needed donations to purchase three used school buses that will be sent to transport students in Congo to school and villagers to receive medical care – an ability we ourselves often take for granted. In order to reach our goal of \$36,000, we humbly request a tax-deductible donation of at least \$100 (one hundred dollars) from you or your company. Anything more would be greatly appreciated. In today's tough economic condition, it is impossible for us to acquire this amount without the generous financial support from people like you. We would like to count on you to help make some child's dream a reality.

If you are giving your donation in the form of a check, please make it payable to **Mount Tabor Ministries, Inc.** and mail to P.O. Box 1356, Matthews, NC 28106, USA. You can also make your donation online by clicking the link you will find on our website www.mounttaborministries.org.

We pray the Almighty God will continue to bless you abundantly. On behalf of the beneficiaries, I offer heartfelt thanks in advance for your contribution.

Sincerely,

Tabatha Hawkins

Associate Director
